

Dig, dig, dig.

Once of a spade
A gift was made
So I could dig, dig, dig
So with the spade.
A hole was made
One millimetre big
So neat and round
And there I found ...
A flea.

Said the pig
"It's not too big,
So you should dig, dig, dig."
So with the spade
A hole was made
One decametre big
So neat and round
And there I found ...
A horse

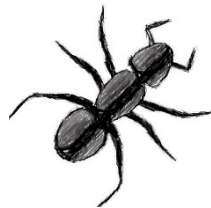

Said the flea
"It seems to me,
That you should dig, dig, dig."
So with the spade
A hole was made
One centimetre big
So neat and round
And there I found ...
An ant

Said the horse
"I shall endorse,
Your urge to dig, dig, dig."
So with the spade
A hole was made
One hectometre big
So neat and round
And there I found ...
A whale

Said the ant
"Well, you just can't
Refuse to dig, dig, dig."
So with the spade
A hole was made
One decimetre big
So neat and round
And there I found ...
A mole

Said the whale
"I'll use my tail
To help you dig, dig, dig."
So with the spade
A hole was made
One kilometre big
So neat and round
And there I found ...

Said the mole
"Too small a hole,
So you should dig, dig, dig."
So with the spade
A hole was made
One metric metre big
So neat and round
And there I found ...
A pig

A man from the council
Who said I didn't have
Planning permission
So I had to
Fill it all back in.

Fetch the Space Dog

Max and Lara were playing with Fetch the Space Dog. They were throwing his ball and he was chasing after it
"Why is he called Fetch the Space Dog?" asked Lara.
"Perhaps it's because he likes fetching the ball." Said Max.
"No, I don't think that's it," said Lara. "Let's ask Kooloo."
And Fetch kept chasing his ball.

Kooloo was eating biscuits and thinking of Spaceships.
"Why is he called Fetch the Space Dog?" asked Lara.
"Perhaps it's because we fetched him from the space pound." said Kooloo.
"No, I don't think that's it," said Lara. "Let's ask Baked Bean."
And Fetch kept chasing his ball.

Baked Bean was in the ring, breathing fire and thinking nice thoughts..
"Why is he called Fetch the Space Dog?" asked Lara.
"Perhaps it's because he has a very fetching space suit," said Baked Bean..
"No, I don't think that's it," said Lara. "Let's ask Mr. Scatterbrain."
And Fetch kept chasing his ball.

Mr. Scatterbrain squirted his squirty flower at them.
"Why is he called Fetch the Space Dog?" asked Lara.
"Because he'd fetch a lot of money if we sold him," said Mr. Scatterbrain.
"No, I don't think that's it," said Lara. "Let's ask The Space Unicorn."
And Fetch kept chasing his ball.

The Space Unicorn took off his glasses and looked up from his quiz books.
"Why is he called Fetch the Space Dog?" asked Lara.
"Perhaps it's because in the old days, a fetcher was a type of dog used in hunting."
"No, I don't think that's it," said Lara. "Let's ask Tiny."
Tiny picked up Fetch's ball and threw it hard.

Max and Lara, Scatterbrain and the Unicorn, Kooloo and Baked Bean, all stared as Fetch shot off the space circus and followed the ball into space.
And they all shouted together
"Quick, someone fetch the space dog."
"Ah," said Lara. "That's why."
